

NICOLE WORTHINGTON
GRAPHIC DESIGN + LETTERING

Profile

A highly self-driven designer,

I am able to think critically and contribute effective design solutions and execute them with great technical skill.

Extremely detail-oriented,

I concentrate on good design aesthetics and theory to create well-rounded and cohesive design materials.

Friendly and versatile, I am

eager to learn and adapt to new projects and art mediums.

Experience

TwoTwinPins

Etsy Entrepreneur - February 2014 - Present

Partnering with my twin sister, we produce designs and illustrations based on popular culture and sell them as pin sets on etsy.

Portland State University Vanguard

Graphic Designer - June 2014 - August 2014

Produced page layout for the articles and images on the Vanguard's award winning weekly newspaper. Took on an art director's role for the special 2014 Fall Orientation Guide edition.

Co-Creative

Production and Web Designer - March 2014 - June 2014

Created and developed marketing and design materials for Portland State University support departments, programs and organizations. Materials included: event programs, brochures, web graphics creation, web layout design, and more.

Marketing Department, Portland Community College

Graphic Design Intern - June 2011 - September 2012

Designed materials for both internal and external marketing projects using the existing branding standards. Worked as a key designer in an extensive design project that involved working with a team and building strong communication skills with clients.

Education

Bachelor of Arts in Graphic Design

Portland State University - Graduated 2014

Associates of Applied Science in Graphic Design
